

Certificate for the Israeli Garage Association

The Automotive Examination committee of the Chamber of Craft Stuttgart is authorized to make this agreement with the Israeli Garage Association

This certificate is based on the legal basis of the crafts code, which is the basis of the master's certificate.

The Israeli Garage Association is able to start their Automotive Meister Studies on this basis.
Details are written in the summary of activities.

Given on July, 29th 2019
Stuttgart, Germany
